advanced interface solutions

Metalphoto of Cincinnati

## METAL IDENTIFICATION LABELS

Foil stickers or rigid tags with color printing options and adhesive or manual attachment choices. Custom sizes and shapes available.

## POLYMER IDENTIFICATION LABELS

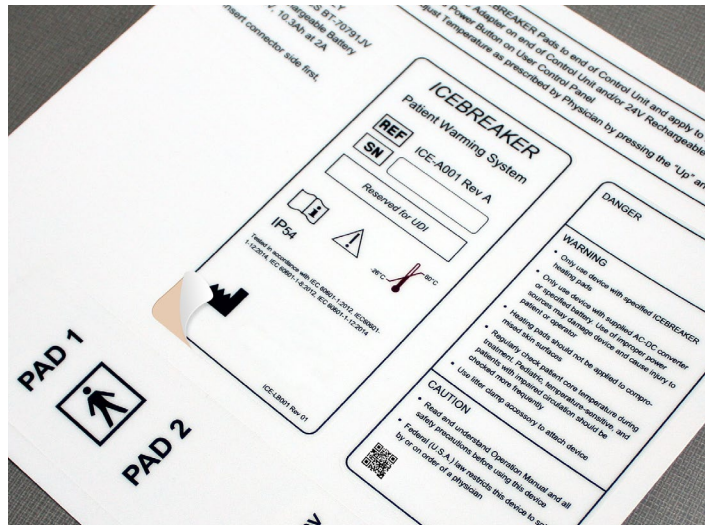

Polyester, vinyl, polycarbonate or domed urethane with adhesive backing. Custom sizes, shapes and printing options available.

## SERIALIZED ASSET TRACKING LABELS

Rigid metal, foil or plastic labels featuring unique barcodes or QR codes for asset tracking. Available in custom sizes and shapes with custom graphic options.

## LABEL KITS

Metal foil or polymer label sheets that include complete label sets for equipment. Custom shapes, sizes, and printing options available.

## NAMEPLATES AND DATA PLATES

Custom fabricated and printed to your project's specifications. Several metal and plastic material options available.

## FRONT AND CONTROL PANELS

One-piece metal or metal-backed plastic or polycarbonate panels. Custom engineered, fabricated and printed to your project's specifications.

## BACK PANELS

Aluminum or stainless steel back panels provide rigidity to electronic and control panels. Custom fabricated to meet your project's specifications.

## CAUTION AND WARNING LABELS

Adhesive backed labels custom printed for your application. Many material options available including foil, vinyl, polyester and polycarbonate.

**PANNAM IMAGING**
